May 19th Meeting

The speaker for our **May 19th** meeting will be Bill Reitze, an anthropology student at CSU. Bill is one of the five recipients of our recently awarded 2004 Greenacre Scholarships. His presentation will focus on his research project, "Alpine Archaeology: High Altitude Landscape Use, and Raw Material Procurement."

Please mark this coming Wednesday on your calendar and show your support to our scholarship recipients.

Southwestern Lore Index now on the Web Site

Joel Hurmence is excited to inform us that our Chapter Web site is now hosting the index information for Southwestern Lore. Joel has put many hours into indexing the numerous volumes of the CAS publication so this is a tremendous resource to anyone doing research. You can check it out at <http://www.fornet.org/casncc/SWLIndex/>

May 22 - NCC Featured Event in Denver

Mary Jo Zeidler has informed us that the traveling exhibit, "Awakening Stories of Ancient Bison Hunting," is now on display during the month of May, in the lobby of the Colorado History Museum in Denver. She, along with member Jack Steele, delivered and assembled the exhibit. Susan Collins, State Archaeologist, and CHS staff are excited about the opportunity to display the exhibit.

Much effort has gone into publicizing the event. Betty Herrmann has addressed numerous special invitations to distinguished invitees. Joel Hurmence has added a link to our Web Site. Tom Hoff, State CAS President, has been instrumental in distributing the press release and extending invitations in the Denver area.

CEH is regarding the exhibit as 'exemplary.' As a result CEH has invited representatives from the Scientific and Cultural Facilities District to attend our program.

Mark Soldier Wolf, Northern Arapaho, who contributed to the exhibit is interested in attending the event with his family. He will be leading the graduation at Arapaho HS in Littleton earlier in the day. Please mark **May 22nd** on your calendar and show your support of this successful endeavor!

Code of Ethics

Members will uphold State and Federal antiquities laws and regulations.

Excavation of archaeological sites will be conducted only according to professionally accepted procedures developed in consultation with a professional archaeologist and with the written permission of the landowner. The investigator has the responsibility for publication of the results of his/her investigation and for making the collection available for further scientific study.

Members are encouraged to report archaeological sites to the Office on the State Site Report forms. Materials collected from the surface sites shall be catalogued and described in the site survey report. Collected materials should either be deposited with the State Archaeologist's office or made available for scientific study.

Members will not support illegal or unscientifically conducted activities by participating in or condoning the sale, exchange or purchase of artifacts obtained from such sites.

Members who exhibit artifacts will do so in an educational context. Items from burials and objects considered sacred will not be exhibited.

Members will cooperate with the State Archaeologist and other agencies concerned with archaeology and related fields.

Members will respect the dignity of groups whose cultural histories are the subject of archaeological investigation.

Members will not participate in conduct involving dishonesty, deceit, or misrepresentation about archaeological matters.
