## November Meeting

Our speaker for the **November 15** meeting will be Curt Buchholtz, Rocky Mountain Nature Association. His program will be on the "History of Rocky Mountain National Park." If you would like to join us for dinner before the meeting, we will be meeting at the Country Buffet in Ft. Collins, near Barnes & Noble, at 5:30 pm. Please let me know if you plan to join us so we can hold an appropriately sized table. Marian Wemple - 226-0298 or e-mail to: mariancweisser@juno.com.

### Individual Funds:

General Fund	\$ 483.13	
CHS Grant Fund	\$ 264.22	
Greenacre Scholarship Fund	\$ 1425.00	
Total:		\$ 2,172.35

## **November Executive Board Meeting**

Attending the Executive Board Meeting of the Fort Collins Chapter of the Colorado Archaeology Society, Wednesday, November 1, 2000, were: Donn DeCoursey, Marian Wemple, Joel Hurmence, Mary Jo Zeidler, Ulli Limpitlaw and Bev Goering.

### **Nominations for 2001 Officers**

HELP! We need a candidate for Secretary! Agnes Dix, Nominating Committee Chairperson, has submitted a list of members receptive to accepting an office. Through an exhaustive effort, she regrets having to inform the Board that she is unable to fill the slot for Secretary. If you feel you can spare just a few minutes a month, please call Agnes at 484-2114 and let her know.

Board members discussed the responsibilities associated with of the Secretary position and decided to distribute some of the responsibilities. The primary responsibility of the position is to take "brief" minutes at the Board Meetings and Monthly Business Meetings so there is a Chapter record and the information can be published in the newsletter. There is also a small amount of correspondence. The speaker thank-yous have been delegated to the program coordinator (vice-president) and letters about specific projects, similarly, to the person dealing with the arrangements. One of the biggest reasons we need a Secretary is to have another person giving his/her perspective to the Board.

Again, we ask that you please think about how you might be able to help out. We are so fortunate to have Dr. Jeff Eighmy of CSU interested in the presidency and LesLee Ann Heusinkveld of Loveland, the vice-presidency.

When more members volunteer and pitch in, it really helps to distribute the load, enhance our resources, and elevate the "fun factor"! With that said, here's the current slate:

President - Dr. Jeff Eighmy  
Vice-president - LesLee Ann Heusinkveld  
Secretary - vacant  
Treasurer - Joel Hurmence, returning  
PAAC - Reith Miller, returning  
Education Coordinator - Mary Jo Zeidler, returning  
Librarian - Susan Omori, returning  
Field Trip & Field Work Coordinator - Ulli Limpitlaw, returning  
Newsletter Editor & Web Site - Bev Goering, returning

Donn will distribute ballots to "current members" for voting at the November 15 meeting. (Note - your membership must be current to vote.)

### **Update of By-Laws**

Donn will check with Susan regarding the status of the updated By-Laws. Donn will try to have new copies available for distribution at the November meeting.

### **2001 CAS Annual Meeting**

Our Chapter will be hosting the 2001 CAS Annual Meeting, scheduled for October 5-7, 2001. Joel presented proposals received from two local hotels.

### **PAAC**

The PAAC class has been cancelled because we did not meet the minimum registration of 10. This class, "Colorado Archaeology," has been rescheduled for after the first of the year.

## **Field Work Update**

Ulli, Field Work Coordinator, reported that work on the Fort Collins Waterworks Project has been completed for this time and will resume in January. Work will be scheduled for one weekend each month. Much progress has been made. This site has significant historical value to the local community.

## **Holiday Party**

This year's annual Holiday Party is scheduled for December 13. LesLee and Ron Heusinkveld will host the affair at their home in Loveland. We will have our traditional pot luck dinner and some fun entertainment. Ulli is preparing a slide show from the pictures she took at all of our CAS activities this year. Everybody who has participated in any of the activities such as Willow Bunker, Kaplan-Hoover Bison Site, Waterworks, Missile Site visit, Wray and Beecher Island will be in this slide show. Ulli has informed us that it is sure to be a colorful presentation with many fun pictures! You won't want to miss this event!

## **Update on CHS Grant**

Mary Jo, Education Coordinator, reported that the grant application has met the submittal requirements. The notification date is November 20. The project proposes to design and fabricate a trail wayside exhibit on the

Kaplan-Hoover site, and a traveling exhibit on the same site for various local public facilities.

## **Community Services Awards 2000 Luncheon**

Donn and Marian will be attending the Awards Luncheon on November 9. All applicants are requested to have a representative present at the luncheon in order to receive an award if selected. The community awards will be distributed to those organizations selected for making significant community contributions. Our application was quite impressive, primarily due to the success of the "Field Day at the Kaplan-Hoover Bison Kill Site" in Windsor that our Chapter sponsored. We hope our Chapter will be selected to receive one of the awards.

## **Chapter Name Change**

Because our membership and area of outreach has exceeded the boundaries of greater Fort Collins, it has been brought to our attention the possibility of changing the name of our Chapter to something more representative. The Board discussed the linguistics required for changing the official name of our Chapter. Several suggestions for a new name were made. These will be presented at the November meeting, in addition to suggestions taken from the floor. If you have an idea, please contact a Board member.

# **Colorado Archaeological Society**

## **Code of Ethics**

Members will uphold State and Federal antiquities laws and regulations.

Excavation of archaeological sites will be conducted only according to professionally accepted procedures developed in consultation with a professional archaeologist and with the written permission of the landowner. The investigator has the responsibility for publication of the results of his/her investigation and for making the collection available for further scientific study.

Members are encouraged to report archaeological sites to the Office on the State Site Report forms. Materials collected from the surface sites shall be catalogued and described in the site survey report. Collected materials should either be deposited with the State Archaeologist's office or made available for scientific study.

Members will not support illegal or unscientifically conducted activities by participating in or condoning the sale, exchange or purchase of artifacts obtained from such sites.

Members who exhibit artifacts will do so in an educational context. Items from burials and objects considered sacred will not be exhibited.

Members will cooperate with the State Archaeologist and other agencies concerned with archaeology and related fields.

Members will respect the dignity of groups whose cultural histories are the subject of archaeological investigation.

Members will not participate in conduct involving dishonesty, deceit, or misrepresentation about archaeological matters.
