

MDA 2007 Walk of Hope Results

Dear Friends and family,

This year Team Laura Beth raised over \$12,000 in donations for the Muscular Dystrophy Association 2007 MDA Walk of Hope held at ZOO ATLANTA on November 10th. The annual event raised over \$100,000, a record amount. One hundred percent of all donations designated for "Seek-A-Miracle", will be used to fund research to cure Friedreich's Ataxia, one of over 40 illnesses that the MDA supports.

Team Laura Beth members at the 2007 MDA Walk of Hope at Zoo Atlanta

Team Laura Beth members were among the most numerous at the event. We had over 45 participants, and raised the 2nd largest total in donations at the walk. During six years of support of MDA walks TEAM LAURA BETH has raised approximately \$70,000 to support research grants through "Seek-a-Miracle".

I was thrilled to have the support of so many of my friends and family members, including many from New England who were not able to join us in Georgia. I would especially like to thank everyone who came out to the Atlanta zoo, the team fundraisers, and the supporters and donors from many Cytex Industries sites. In addition to the amount of donations for research, we also raised awareness which will enhance our ability to fund future research to find a cure.

Laura Beth (center) and Friends

Love, **Laura Beth**
