

Bridgewater Youth Soccer Association
presents
BYSA Family Night at the Revolution

To raise money and awareness for the
Friedreich's Ataxia Research Alliance (FARA)
(www.FAResearchAlliance.org)

Join your friends, family and teammates for BYSA Night with the New England Revolution at Gillette Stadium against the Kansas City Wizards on September 23rd, and help to raise money and awareness for FARA!

"Hi, I am Tiffany Gambill of Bridgewater. I played soccer as part of BYSA for five years before being diagnosed with Friedreich's Ataxia. I am 16 years old now and living with this rare genetic neurodegenerative disease which has no cure and which has prevented me from continuing to play soccer and to participate in many other things I love to do. About 1 in 50,000 people have it. An explosion of research has begun but without enough funds they cannot continue.

The Friedreich's Ataxia Research Alliance (FARA) is a non-profit charitable organization dedicated to accelerating research leading to treatments and a cure for Friedreich's Ataxia. If you would like to give a donation, 100% goes to research. Your donation may change someone else's life more than you could ever imagine. ♥"

Tickets are \$18 each. BYSA also suggests a donation of \$2 per ticket to support FARA. Tickets to the game include parking at the Stadium, tailgating opportunities, and access to the Soccer Celebration area for children under 16.

**Purchase tickets at the BYSA Soccer House (corner of Flagg St. and Summer St.)
Tuesday nights 7 - 8 pm (August 15 - September 19)**

For further information contact: Paula Lampros at 508/942-3347 or plampros@ggesys.com
Rick Pomroy at 781/603-2061 or rpomroy@pomroyassociates.com
