The Jaycees Creed

We Believe ...

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of man;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life!

COMMUNITY DEVELOPMENT

The Jaycees offer Community Development by helping members identify areas within the community where assistance is needed, and then assisting members in developing a constructive plan of action to provide solutions.

Each year, the Fort Collins Jaycees conduct several volunteer community projects to assist various groups in Fort Collins, the state of Colorado, and even the world. These projects are geared toward:
