

The Larimer County Child Advocacy Center would like to introduce their new Stewards of Children Prevention Program

1 in 4 girls and 1 in 6 boys will be sexually abused before their 18th birthdays. The median age for reported sexual abuse is **9 years old**. And incredibly, there are over **39 million survivors** spread across all socioeconomic classes! Only 10% of child sexual abuse cases are committed by strangers; **90%** of these incidents involve an adult known by the child and/or the child's family.

Darkness to Light's® Stewards of Children is a revolutionary sexual abuse prevention-training program that educates adults to prevent, recognize, and react responsibly to child sexual abuse. **The program believes and teaches that child safety is an adult's job.** **Stewards of Children** is designed for organizations that serve children and youth

You can help lower those numbers and protect the children in this community by attending **one** our next Prevention Program's:

**September 8th, October 20th, November 17th
6-8:30pm
Fort Collins Police Department
2221 S. Timberline Rd in EOC Room
