

# DIRECTIONS

## FROM HIGHWAY 385:

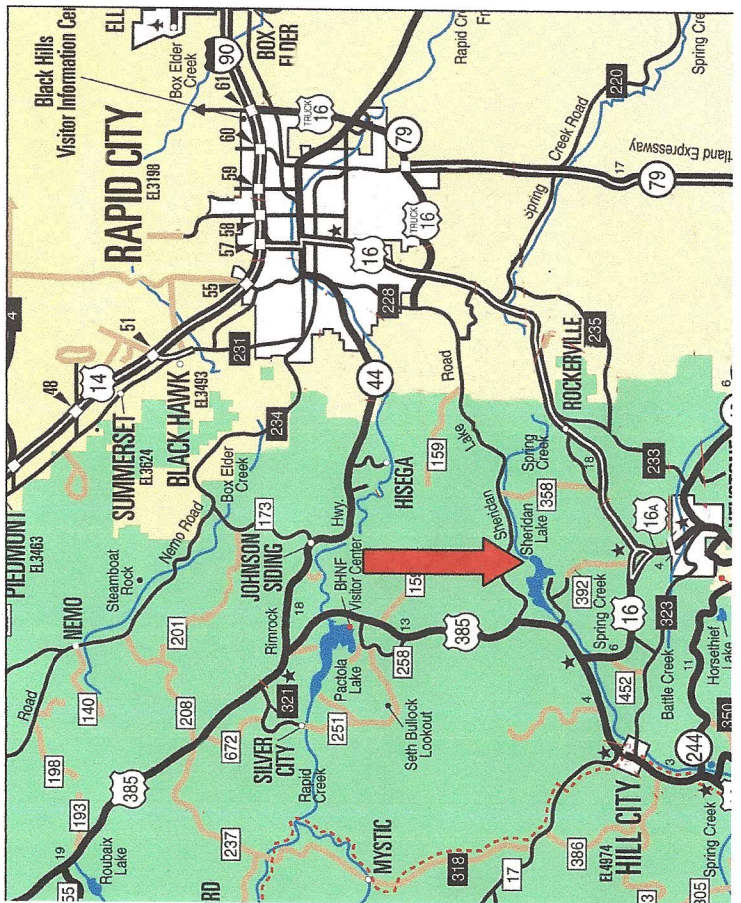

We're located between Highway 44 and Highway 16. Look for the sign on the front cover and turn in. Angle right at the first intersection.

## FROM SHERIDAN LAKE ROAD:

Follow Sheridan Lake Road from Rapid City. Be careful on the 20 mph curve. After you enter the Sheridan Lake Recreation Area, go another several miles to a curve sign that shows a road to the left. Turn left. If you get to Highway 385 and see the sign on the front cover, you've gone ¼ mile too far.

## FROM THE ENTRANCE TO SHERIDAN LAKE NORTH RECREATION AREA:

If there's someone at the gate, let them know you're going to the "Squirrel" group campsite. Follow the road around the north edge of the lake, watching for the "group camping" signs. Turn left at the "Squirrel" sign.
