4. We need to get you registered with USA Rugby and the CIPP form. This is a third party insurance that is required by USA Rugby to play rugby. You can register yourself in our online store, or you can ask Terje or Donny to bring you a form to practice. Either way we need to get this done ASAP. If you do it in our online store, print out the insurance form, and bring it to practice. This is a must! As far as our team dues, the cost is \$75 per season (two seasons). Please either pay the team by the first game or set something up for a payment plan. We don't make any money from these dues; this money goes to field costs and referee dues. Please call or email with any questions.

5. Lastly, we have a message board that we use through yahoo groups. This way we can keep in touch with all the players through one email address. We joke and send messages about all rugby information through this messenger. Use the following link and join our group so that you can ask or send your own comments. We get most of our information from this message board. Our sponsor is also on this link so she can send us information on up coming events.
